

QUALITY ASSURANCE MANAGER

CERES FRUIT GROWERS

Ceres Fruit Growers, based in Ceres, Western Cape, is looking for a confident and assertive QA Manager. The ideal candidate has strong interpersonal skills, is detail orientated, and comfortable analysing and interpreting numerical and other data.

The incumbent will be responsible for: *management of supplier & customer specifications *investigation of complaints & quality deviations *establishment of corrective steps *management of Dipar Quality System *evaluation of temperature deviations & potential vs actual packout statistics *management of water & warehouse hygiene *participation in internal & external quality audits *personnel management *quality policies and practices *supporting the Safety- and Quality Control Systems.

Essential qualifications, skills and experience:

- Qualification in Food technology or related discipline;
- 5 Years' experience in a similar role in the fruit industry;
- Excellent computer literacy (specifically MS Word/Excel);
 - Fully bilingual (Afrikaans & English);
- Valid driver's license and own reliable transport;
 - Willingness to work after-hours.

In line with the client's Employment Equity policy & requirements, preference will be given to suitably qualified persons from designated groups.
